Short Term (Vacation) Rental Bond					
Well and Water Impact Fee					
Administrative Fee					\$55.00 per rental (Note 8)

- Note 1** Per lot or tract (prorated for shared lots). Assessment billed annually and is due not later than December 31 each year.
- Note 2** Per lot or tract connected to community water system. Assessment is billed annually and is due no later than December 31 each year. See also Note 8. Prorated assessment for water service is made at time water service is connected to lot for new construction.
- Note 3** Capital contribution assessment is per lot, parcel or tract, and is due from property purchaser or grantee at closing each time a property is sold, transferred or conveyed (Exceptions per Bylaws). Assessment applies to both new residents and current GIHA residents acquiring additional property. Fee is collected by closing
- Note 4** Non-refundable impact fee due at time Construction Agreement is signed and impact fees may be variable for modifications to current home projects.
- Note 5** Construction bond is refundable to owner/contractor on completion of construction, less assessment(s) for any damages to community areas/roads/utilities/structures during construction. Fee is collected at time Construction Agreement is signed.
- Note 6** Due at time Construction Agreement is signed for any newly constructed home to be connected to community water system. This fee is separate from the annual water service assessment.
- Note 7** Construction bond to be determined during plan review and approval and is dependent on scope of project. Bond is refundable to owner/contractor upon completion of construction, less assessment(s) for any damages to community areas/roads/utilities/structures during construction. Fee is collected at time Construction Agreement is signed.
- Note 8** Rental Application Fee for Short Term (vacation) rentals is due at the time of the rental documents.
